

## VOTE OF THANKS

# ENGINEERING CONFERENCE FOR THE YEAR 2022.

The Malawi Engineering Institution would like to thank the Minister of Transport and Public Works Honourable Jacob Hara, MP for presiding over the official opening ceremony of the 2022 Engineering Conference and Annual General Meeting which took place from 8<sup>th</sup> to 9<sup>th</sup> September 2022 at Sunbird Nkopola in Mangochi under the theme “Engineering – Key to Economic Acceleration”

We would also like to thank the Key Note Speaker Professor Zachary Kasomekera for setting the tone for the conference.

In a special way, we would also like to recognize and thank the following institutions for their generous financial support towards the conference:

- Mota Engil Malawi
- Puma Energy
- Power Optimum Limited
- DEC Construction
- Power Market Limited
- Shayona Cement Corporation
- MACSTEEL
- TAAI Construction and Machinery Services Ltd.

Our sincere gratitude should also go to the conference organizing committee; various speakers and panelists; experts from different engineering disciplines; the academia; media; service providers; and all the distinguished participants for making the 2022 Engineering Conference a great success.

**Eng. Alfonso Chikuni.**

**MEI President & Board Chairperson.**
